Board of Membership Resources

The Board of Membership Resources – Program report for Fiscal Year 2015-16. Board members included: **Susan Kinsman**, chair; **Sue Merrow**, vice-chair, **Andrea Pascal**, secretary and **Kathy Sewell**.

The responsibilities of the board are: to work with the Church Clerk to update and maintain mailing and contact lists for First Church members; nominate members to fill various boards and committees and to conduct the annual stewardship campaign. The board met on a monthly basis on the first Sunday of the month following service. During the stewardship campaign, we met on a weekly basis.

This year's stewardship campaign was built around the theme: "Open Your Hearts to the Possibilities" (God has in store for us). It began on Valentine's Day, Feb. 14 and ran through Palm Sunday, March 20. By latest count, (Aug. 2, 2016) it generated 43 pledges totaling \$68,770 for the 2016-17 budget year that began July 1. This was an early start compared to prior years because we thought it important to get the most accurate revenue number in place before Trustees drafted a proposed budget. The strategy largely worked, but a number of pledges were made after the budget was adopted and the fiscal year began. Those pledge amounts will be used based on an allocation formula approved at the annual budget meeting.

Annual Report for Fiscal and Program Year 2015-2016

The campaign involved a direct mailing to members and friends. It contained a solicitation letter, outlining the importance of pledging to the life and ministry of First Church, and the possibilities presented by meeting our budget goals. The packet also included a pledge card, and a Q & A about our budget and pledging process. This was an important addition because it helped to give new members from other faith denominations an understanding of our church budget process.

Each week during the campaign, Scripture-based Stewardship Thoughts, were published in the bulletin. We also used the "Stewardship Moment" during service to recognize individual members of First Church for their leadership in the work and ministry of our congregation. Along with their public tribute, honorees were given a rose. Honorees recognized for their "open hearts" were: Kathy Boyce, Myra Brandt, Margaret Charney, Holly Coleman, Bud & Betty Haines, Patti Lombardo, and Karl Stofko. We also hosted the Lenten Pot Luck dinner on Feb. 21 to talk about the campaign and church budgeting process, with assistance from the Board of Trustees. As pledge cards were returned, the committee acknowledged them with individualized thank you cards, containing hand-embroidered, felt heart pins. Our campaign was run with stamps, paper and other materials donated by committee members. The only cost to First Church was for copying.

At the conclusion of the campaign, we turned our attention to filling the vacancies on various boards and committees. We are grateful to the church officers who agreed to serve for another year and for those members who signed on for another term or to a new committee, for agreeing to give their time and talent in the service of First Church and God's work in the world. The nomination slate was approved unanimously at the annual budget meeting in June. We continue to look for candidates who are interested in serving. Please contact a member of the new committee if you would like more information. ~~ *Respectfully submitted by Susan E. Kinsman*

Pastoral Relations Committee

The Pastoral Relations Committee members for the Fiscal Year 2015-2016 were Patti Lombardo (Chair), Kathy Sewell (Vice-Chair), Anita Hayn and Judy Dawson.

We met as needed, both with Pastor Laura in attendance and without.

We addressed concerns that were expressed about Pastor Laura's hours. It is important to understand that she is a part time salaried employee. She preaches 3 Sundays a month and has a guest for the 4th. When she is a full time employee, she will preach every Sunday. That being said, she has always been available for us. We decided that her Covenant Contract needs to be updated as her salary increases.

Pastor Laura is an effective asset for First Church. She has brought new people into First Church and we are beginning to grow.

The Pastoral Committee would like to acknowledge and thank Patti Lombardo who has served as Chair of this committee for the past few years. She is staying on the committee but is stepping down as chair. Thank you Patti!

Respectively submitted,

Kathy Sewell, Vice-Chair of Pastoral Relations Committee

Pastor

Practice hospitality. Live in harmony with one another.
-- Romans 12:13, 16

For everyone born a place at the table, for everyone born, clean water and bread, a shelter, a space, a safe place for growing, for everyone born, a star overhead...and God will delight when we are creators of justice, justice and joy.

(Hymn lyrics by: Shirley Erena Murray; music: Joy F. Patterson)

A favorite hymn we sing in worship on Communion Sunday mornings is called *For Everyone Born*. Its harmonies remind us of our gospel journey in faith together: to enjoy and endeavor to create a church home where all may feel welcome at the table of God's love. This year, our life in faith together reflects this ethic of invitation, blessing and service.

We live in a time when fear of *the other* and fear of the unknown has reached wild proportions. Sadly, this fear has a long history in human history. In this past year, we have witnessed increasing violence around the world and in our country. It is estimated that our world now has 65 million people who are considered "displaced"; many of whom are children and families seeking safety, hope and peace.

We have witnessed tragedies in cities and towns from coast to coast in episodes of violence from Baltimore to San Bernardino, to Orlando and Dallas, among many other communities. The racial, religious and cultural divides that threaten our human relationships and understanding can embolden us to be a church committed to justice and peace for all God's beloved children who are suffering in and beyond our meetinghouse doors.

Thanks to local inter-faith organizations and area churches, many have reached out to refugees coming from Syria, Iraq, Afghanistan, Congo and other countries stricken with war and conflict. The Integrated Refugee and Immigrant Services (IRIS) in New Haven, Connecticut has been a long- standing anchor of hope in our area.

While we intend for our outreach efforts in this ministry will grow in the coming year, we have offered some limited financial support. Hopefully, we can further our efforts in support of sister churches and organizations offering more direct support and

Annual Report for Fiscal and Program Year 2015-2016

service to these "new" neighbors in need in the future. As a church rooted in its congregational roots and history, we have increased our support for the UCC and its wider mission through our pledges and participation in local community programs. This year our church hosted twenty-two churches from the Middlesex Association of the UCC. The beauty of our sanctuary and the bounty of our dessert impressed participants.

Offering friendship and hospitality is one of the many gifts of First Church and we hope to expand our programming and outreach in the coming year. Our church's ongoing participation this year in interfaith efforts and programs with our Christian, Muslim and Jewish neighbors is essential and has enriched our common life. When we can model partnership, dialogue, learning and respect, each person and community benefits wholeheartedly.

Through visiting speakers during our Fellowship Forum education programs we have learned of God's work and wonder in the wilderness. Guests such as Mimi Matima from Congo and Fazilla Mansoori from Afghanistan were especially memorable sharing their journeys of faith. In addition, Marisa Mohrer shared her travels in Cambodia working with victims of human trafficking. Closer to home, our long-time member, Anita Ballek, of Ballek's Garden Center, offered sage advice for keeping God's creation sacred- especially at this time of encroaching climate change. Mindful of our need for greater climate care, First Church is taking greater steps toward being a Greener Church in as many ways as possible.

The prophetic voices in our midst continued as we heard further stories of liberation and change from those newly released from prison. We have worked cooperatively with the Guilford Congregational church as part of the Shoreline Resettlement program. Our backpack ministry provides backpacks for women newly released from prison and has been greatly appreciated by those seeking to rebuild their lives. On our first annual Recovery Sunday, we heard from Michael Seaver about his work with those in recovery from addiction and other challenges.

Given these challenging times, our journey in faith together as First Church continues to grow, deepen and offer life-affirming opportunities for worship, prayer, fellowship, service and reaching out to serve our local and world community. Our Feeding Ministries through Harvest House (generally a quarterly commitment thus far) and our in-house Loving Spoonfuls Soup and Sandwich Bar enriches all of those who help prepare, serve and participate.

Annual Report for Fiscal and Program Year 2015-2016

Our faith has been nurtured this year with creative and sacred worship, lively music and opportunities for prayer and spiritual growth. Sunday worship is central to our life of faith and service. Sunday attendance has been growing steadily and we have had wonderful opportunities to welcome new, young families as well as mature adults seeking a welcoming church home. This spring we welcomed a large group of new folks to our fold and will host another new member ceremony this November. As part of our opening worship, we begin with the words, "no matter who you are, no matter when you are on life's journey, no matter whom you love or what you wonder about...you are welcome here." We hope we are living up to that sacred message!

We have mourned beloved friends together and celebrated Baptisms, Weddings and new beginnings as well. Thankfully, our dedicated deacons help with worship and assist with pastoral needs and care throughout our community. They manage the prayer chain, continue a prayer card ministry to those in need and support all of us in ways, large and small.

Thanks to our Christian Education teachers and volunteers led by our educator and seminarian, Valerie Seaver, our God's Garden Sunday School program continues to offer a biblically-based, creative curriculum that engages our children's hearts and minds. Vacation Bible School this past August added a dinner hour to the evening program this past August and it was well-received and attended by children and families. Blessed thanks to all of you who gave up the week for the sake of our children!

The lifelines of our church include so many of YOU, our dedicated volunteers, whose spirit of commitment keeps our doors open, our voices singing, the floors cleaned, the classrooms buzzing, prayer shawls knitted, Quilt tickets sold, Christmas Teas poured, the Tag Sale organized, Winter and Summer Coffeehouses enjoyable and hospitality hours, potlucks and receptions well-stocked (never mind the cool A/C on hot days and heartwarming heat on the cold winter nights). Thanks to our Committee teams like Trustees, Deacons, Council, Membership/Stewardship, Outreach, Music, Knitters, among others, First Church is alive, well and filled with the Spirit of God's grace and hospitality. We hope to do more in terms of ministries to our wider community and are considering partnering with other smaller congregations for a future mission trips and expanded Youth programming.

Annual Report for Fiscal and Program Year 2015-2016

Our gorgeous, historic meetinghouse, inside and out, has unfinished work, upkeep and care we are mindful of and our Trustees are attentive stewards in this regard.

As your pastor for (almost) three years, it continues to be an honor to walk the journey of faith with you. I continue to enjoy offering retreats and bible study series (Advent, Lenten series, and Summer with the Psalms) as time allows. I am on call for pastoral care, weddings and funerals, as well as, special services. Monthly visits to offer communion services at ChestElm Day program as well as the nursing and rehab facility are a special community ministry for me. I participate in two local clergy groups including one with our East Haddam area clergy. In addition, you'll find me enjoying a cup of coffee at Two Wrasslin' Cats-- a place I enjoy meeting folks for a conversation. If we haven't had an opportunity to visit together, please call!

Like our forebears sitting at the table with Jesus, we're still working at building what Dr. Martin Luther King, Jr. called, "the beloved community". Our shared ministry to BE church, do justice, love kindness and walk humbly with our God are fruitful, good and multiplying thanks to all of you. May we continue to discern together how our God is moving among us.

Joyfully and gratefully yours,

Laura

Chair of Trustees, Stan Conover, presented the revised budget. He noted that since the Annual Budget meeting in June, where we voted in a balanced budget with zero dollars allocated to several line items, approximately \$7,400.00 in additional pledge had come in. The Pastor's salary will be increased \$4,665 (13%). This comes out to about an additional 9.55 hours a month. Christian Education is to get \$1,000, and Music \$1,955.00. To balance things out \$181 is going to both Outreach and Our Church's Wider Mission (OCWM).

Chair of Trustees Stan Conover noted that for the first time LPL dividends were not being used to supplement the operational budget.

Heating oil had been purchased for \$1.91 a gallon and there was approximately 800 gallons left over from last year. The Sanctuary would be open on Communion Sunday January to March instead of being closed as in past years.

There was a discussion about equalizing the amount of money given to Outreach and UCC OCWM, making them both \$225 instead of \$200/\$250. Discussion followed regarding changing the future pledge allocations from 20% Music / 0% Outreach to 10%/10%.
